B. River park signage and facilities inventory project

Discussion on River Park signage and facilities inventory project - waiting to pour concrete at Garrisons Glen once it dries out; post signage on bridge; pier at Villa Grove damaged with recent flooding and needs repair.

4) New Business

a. Private park development along Grace Avenue, Mequon

Discussion of potential city park development by Grace. Doesn't seem likely anytime soon.

Guest Pat Marchese - Chairman of Mequon Park and Open Space Board spoke on 3b. He let the committee know that there will be a new park plan soon. Additionally, some areas in Mequon have been discussed as potential areas of improvement by the DNR. It is still years off in the future but could get passed with support from local groups. The projects would be mainly along the river helping to rid invasive species, dead trees and finally planting new native vegetation.

Guest Perry Robinson spoke of a log jam between Donges Bay and Wulffs Island. Could be dangerous for people using the river in summer and winter. Committee member Ron Dorszynski suggested contacting a safety representative through the DNR to help get the process started for clearing the fallen logs.

5) Motion to Adjourn at 7:30 PM.

**RESULT:** **Approved by Voice Acclamation [Unanimous]**  
**MOVED BY:** Committee Member Dorszynski  
**SECONDED BY:** Committee Member Berg

**AYES:** Knuth, Berg, Dorszynski, McNarney, Quant, Stern

Respectfully Submitted,

*Casey Deuster*
