3) Discussion Items

- a) Discussion for Mequon Thiensville Bike and Pedestrian Master Plan Presentation for the Village of Thiensville

The Commission was in agreement that an overview of the Master Plan should be presented showing the short-, medium- and long-term plans with a focus on the Thiensville projects.

- b) Discussion on Signage Preference along the West Mequon Neighborhoods Bicycle Route

The Commission discussed the desire to get projects moving forward and what they can do to facilitate the process. Assistant City Engineer McCraw emphasized that there is not a set budget allocated for Bikeway. McCraw suggested the Commission make a budget request going into 2027. The Commission would need to prepare the necessary items and costs involved with the request. It was questioned whether the budget could be changed to have funds specifically allocated for Bikeway in the future.

- c) Discussion Regarding Commission Preferences on Treatments to the Mequon Road Bridge over the Milwaukee River

The Commission discussed what would be the best approach to talk with DOT regarding safety measures and the need for striping and signage. Assistant City Engineer McCraw suggested that a member contact the DOT as a Mequon Resident and ask questions on guidelines.
